Foreign Service List

PREFACE

The *Foreign Service List*, issued quarterly by the Department of State, is compiled primarily for use by the Department of State, the Foreign Service, and other United States Government Agencies to provide information on the assignments of Foreign Service personnel and other United States personnel assigned overseas. The information it contains has also been found useful by American business firms, various groups and individuals, and foreign governments.

The *List* includes: chiefs of mission; Foreign Service officers; Foreign Service Reserve officers; Foreign Service Staff officers of class nine and above; Foreign Service Staff officers of class ten and eleven with the title "vice consul" when assigned to a post having a complement of one, two or three officers; and consular agents. Special sections are also included on officers of the International Cooperation Administration, the United States Information Agency, the Foreign Agricultural Service of the United States Department of Agriculture, and the Departments of Army, Navy, and Air Force.

Personnel are listed in this publication at their respective posts, with their titles, category, and class. The date of assignment listed for ambassadors and ministers is the date of attestation and/or recess appointment; for all other officers at the post, the effective date of transfer is listed except in cases where a commission is involved for a consul general, consul, or vice consul. This information is taken from personnel action forms.

The listing of personnel at each post is alphabetical with the exception of the chief, the deputy chief of mission, and the principal officer who are listed first under each post.

A section is also included giving data on the opening and closing of posts; posts raised in rank and status; and other pertinent data.

Only those actions received by the Division of Publishing Services prior to the fifteenth of the month preceding publication are included. Changes occurring between the date of compilation and release of this publication are not included in the *List*. Therefore, the *List* does not necessarily reflect the current diplomatic or consular status of every individual listed. Users in the United States may ascertain the current status of any officer of the United States assigned to a Foreign Service post by communicating with the Department of State, Washington 25, D. C. Users overseas may secure the same information by communicating with the American Embassy or Legation in that country.

This *List* is compiled and edited by the Division of Publishing Services, Department of State. Necessary corrections should be reported to that Division.
